MEMORANDUM

TO: CIA - General Walters

Dick:

I just realized that CIA was not on distribution for the cable on the Harriman visit to the Soviet Union. Since I was not sure that you knew of the trip I am sending along a copy of the itinerary. Once again our Glorious Former Leader proves life begins at 80.

The next time Win's away from the office i.e. on a trip I'll call up to see if it's convenient to drop over to say hello.

Karen sends her best.
